

**HOW AMDRO® FIRE ANT KILLER FOR MOUNDS WORKS**

**THIS PRODUCT IS A BAIT**

Worker ants carry it into the mound as food for the colony.

They eat it and feed it to the queen. Amdro® Fire Ant Killer For Mounds starts to kill ants immediately.

In about a week the queen is dead, which destroys the mound.

**PRECAUTIONARY STATEMENTS**  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwaters. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Wash hands with soap and water promptly after use.**

This product is not for use on vegetable or other food crops, timber or plants grown for sale or other commercial use, or for commercial seed production, or for research purposes.

**Application Restrictions:** Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application. Avoid making applications if it is likely to rain within 24 hours of application, except when applying directly adjacent to a structure that is permanently protected from rainfall by a covering, overhang, awning, or other structure. Do not apply granules to impervious surfaces.

**Application Tips:**

- For best results, apply in early morning or late afternoon when ants are most active.
- Do not apply when ground is soaking wet or when heavy rains are expected. Do not water-in after application.

Amdro® Fire Ant Killer for Mounds controls imported and native fire ants and other ants, such as harvester ants, bigheaded ants and Argentine ants. Amdro® Fire Ant Killer for Mounds is for use ONLY on lawns, landscaped areas, and other noncrop/land areas, as well as on grounds surrounding poultry houses (excluding runs and ranges) or corrals and other animal holding areas. Amdro® Fire Ant Killer for Mounds may be applied to pastures and rangeland if used ONLY for COMPANION ANIMALS (horses, llamas, etc.). Companion animals grazed on treated areas cannot be used for food or feed. Do not graze or feed treated lawn or sod clippings to livestock. Avoid direct exposure of animals to Amdro® Fire Ant Killer for Mounds granules.

**OUTDOOR USE**

**For large, infested areas:** Using a hand-held granular spreader, broadcast Amdro® Fire Ant Killer for Mounds at 2 to 4 ounces per 5,000 square feet (1 to 2 pounds per acre). Do not exceed four broadcast applications per year. Observe a minimum retreatment interval for broadcast applications of 30 days.

**For individual mounds:** Sprinkle 2 to 5 level tablespoons of this product around the mound. Do not disturb the mound. Use a disposable scoop (do not use a kitchen utensil). For best results, apply this product when ants are active. Repeat application as needed.

**STORAGE & DISPOSAL**

**Pesticide Storage:** Store in cool, dry, secure place and keep container closed. Store container away from pets. When properly stored, this product will retain its effectiveness for up to 3 months after the package has been opened.

**Pesticide Disposal:** If partially filled – Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**Container Handling:** Nonrefillable container. If empty – Do not reuse or refill this container. Place in trash or offer for recycling if available.

**NOTICE:** To the extent consistent with applicable law, Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. To the extent consistent with applicable law, Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
