OUTDOOR

ROACH KILLER

FOR HOME PERIMETER

FIRST AID

IF IN EYES	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
-------------------	---

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-265-0761 for emergency medical treatment.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

USER SAFETY RECOMMENDATIONS

USERS SHOULD: Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment rinsewater. Do not apply where/when conditions could favor runoff. Runoff from treated areas may be hazardous to aquatic organisms in neighboring areas.

PHYSICAL OR CHEMICAL HAZARDS

Do not mix or allow contact with oxidizing agents, as a hazardous chemical reaction may occur.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry place in the original container only. Do not store this product under wet conditions. Store only in a location inaccessible to children and pets. Do not contaminate water, other pesticides, fertilizer, food or feed in storage.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.

CONTAINER HANDLING: Non-refillable container. Do not reuse or refill this container. Completely empty plastic container or bag or fiber sack into manufacturing or application equipment by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application or manufacturing equipment. Then offer for recycling, if available or dispose of empty plastic container, bag, fiber sack or fiber drum with liner in a sanitary landfill, or by other procedures allowed by state and local authorities.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment rinsewater. Do not apply where/when conditions could favor runoff. Runoff from treated areas may be hazardous to aquatic organisms in neighboring areas.

PHYSICAL OR CHEMICAL HAZARDS

Do not mix or allow contact with oxidizing agents, as a hazardous chemical reaction may occur.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is a granular insecticide bait for use to control listed crawling nuisance or occasional invader insect pests indoors including, but not limited to, crawl spaces, attics, basements of buildings or structures. For use outdoors to kill American cockroaches.

For turfgrass applications this product is intended only for use on turfgrass intended for aesthetic purposes or climate modification to control crickets, including mole crickets, on lawns in residential areas.

USE RESTRICTIONS

- Not for use on turfgrass being grown for sale or other commercial use, or for commercial seed production.
- Do not allow this product to contact any food or feed.
- Not for use in nurseries and greenhouses.
- Do not allow livestock or domestic animals to consume the bait or graze in treated areas.
- Do not exceed 200 total pounds of this product (0.44 lbs. indoxacarb, 0.2 lbs. novaluron) per acre per season for broadcast applications in turfgrass.
- Do not formulate this product into other end-use products.

OUTDOOR APPLICATIONS

Outdoor Broadcast Application: This product may be applied as a broadcast application at the rate of 1.15 to 4.6 pounds of product per 1,000 sq. ft. Calibrate and adjust equipment prior to application to ensure that the proper rate of product is uniformly applied over the treatment area. Repeat application after 7 days, if necessary.

This product may be broadcast on turf grasses grown for aesthetic or climatic modification in or around home lawns, residential dwellings, multifamily residential complexes, and other similar landscape turf areas.

CRICKET CONTROL: This product contains the active ingredient indoxacarb in a formulation that is highly attractive to house crickets, field crickets and mole cricket adults and nymphs. This product should be applied in the spring to control adult mole crickets before they lay eggs and in the late summer and fall to control large nymphs and newly emerged adults. For best results, apply in late afternoon to areas of turf grass that

are infested with mole crickets. If the soil is not moist, then it is important to irrigate before application to bring the mole crickets to the soil surface where exposure to this product will be maximized. For optimal effectiveness, allow grass that is wet with dew, rainfall or irrigation to dry before application. Treatment remains effective up to 14 days despite dew, rainfall, or irrigation events.

Outdoor Broadcast Application Rates:

TARGET PESTS	Oz. Product Per 100 Ft ²	Lbs. Product Per 1,000 Sq. Ft.	Lbs. A.I./Acre
mole cricket adults and nymphs <i>Scapteriscus spp.</i> house crickets field crickets earwigs silverfish ants (except fire ants, harvester ants, carpenter ants and pharaoh ants)	1.84 - 7.36	1.15 - 4.6	0.11 - 0.44 (indoxacarb) 0.05 - 0.2 (novaluron)
American, Turkestan and Oriental Cockroaches	3.68 - 7.36	2.3 - 4.6	0.22 - 0.44 (indoxacarb) 0.1 - 0.2 (novaluron)

Perimeter Application:

To kill pests, listed in table above, apply to ground area in a band up to 10 feet wide around and adjacent to the structure.

Boundary Application:

To kill pests, listed in table above, apply to soil areas, fence lines, ornamental gardens, pavement crevices, planter areas, vegetation areas, mulch areas and xeriscape areas.

Perimeter Application Rates:

APPLICATION RATE: Lbs. Per 1,000 sq. ft.	Band Width	Lbs. of Product for Perimeter Applications Linear Distance (feet) Around Structure							
		100	150	200	250	300	400	500	1000
1.15	5 feet	0.7	1.0	1.3	1.6	1.8	2.4	3.0	5.9
1.15	10 feet	1.5	2.1	2.7	3.3	3.8	4.8	6.1	11.8

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry place in the original container only. Do not store this product under wet conditions. Store only in a location inaccessible to children and pets. Do not contaminate water, other pesticides, fertilizer, food or feed in storage.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.

CONTAINER HANDLING: Non-refillable container. Do not reuse or refill this container. Completely empty plastic container or bag or fiber sack into manufacturing or application equipment by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application or manufacturing equipment. Then offer for recycling, if available or dispose of empty plastic container, bag, fiber sack or fiber drum with liner in a sanitary landfill, or by other procedures allowed by state and local authorities.

LIMITATION OF WARRANTY AND LIABILITY

The Directions For Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. To the extent with consistent with applicable law, User agrees to hold Central Garden & Pet, Garden Division and Seller harmless for any claims relating to such factors.
